

INNOVATORS

SICKKIDS INNOVATORS IS AN EXCLUSIVE PROGRAM THAT ENGAGES THE NEXT GENERATION OF PHILANTHROPISTS TO FUND THE HIGHEST-PRIORITY NEEDS OF THE HOSPITAL FOR SICK CHILDREN (SICKKIDS).

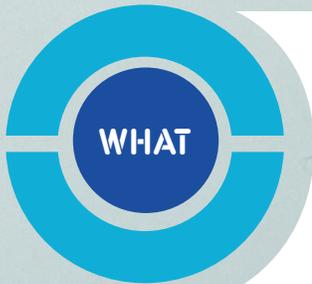

SickKids Innovators. Build your network. Make a difference.

- Step 1:** Commit a min. \$10,000 investment over 2 years combined with other innovators (for a collaborative investment)
- Step 2:** Learn about the highest priority needs at SickKids as you meet the clinicians & researchers who are transforming the future of child health.
- Step 3:** Help us choose: SickKids Innovators collectively decide the next project to fund.

- Collectively since 2013, Innovators have donated nearly **\$1,000,000** to support the following priorities at SickKids:
- Pain Centre
 - Paediatric Advanced Care Team (PACT)
 - Centre for Image-Guided Innovation Therapeutic Intervention (CIGITI)
 - Medical Psychiatry Alliance

- SickKids Innovators are the best and brightest coming together for a great cause – improving child health. Get ready to be inspired! You'll be a part of:
- Four engaging networking events per year
 - Behind-the-scenes tours of state-of-the-art facilities
 - Meeting subject matter experts about ground-breaking research, innovative treatments and the highest priority needs at SickKids
 - Sharing stories and connecting with like-minded philanthropists including thought-leaders from every sector
