

# Thanks to 215 of you, countless kids face a healthier future.

We believe every child should be healthy, and we're privileged to have the support of 215 inspired Community Partners who share our belief.

By fundraising in their neighbourhoods, workplaces and schools, these volunteer and employee groups, families and event organizers make a real difference in sick kids' lives and help shape a healthier future for generations to come.

## Thanks to our Community Partners who raised over \$250,000
