

GIFTS OF SECURITIES

BY DONATING APPRECIATED STOCKS, MUTUAL FUNDS, OR STOCK OPTIONS, YOU PAY NO TAX ON THE CAPITAL GAINS AND RECEIVE A TAX RECEIPT FOR THE FAIR MARKET VALUE OF THE SECURITIES.

Gifts of securities are a tax-effective opportunity to transform an asset into immediate and significant support for The Hospital for Sick Children (SickKids). You can help us advance child health both now and in the future.

WHY SICKKIDS

SickKids treats everything from broken arms and appendicitis to rare brain cancers and congenital heart defects. Every year, some 100,000 patients come to us from across the province, country and even the world for specialized care, while our scientists are making important medical discoveries every day. For all our triumphs – clinical and research – donor support has been instrumental, helping create our storied research institute, where scientists discovered the CF gene, and continue to crack the code of childhood cancers and heart disease. Donations have enabled SickKids to be Ontario's go-to hospital for intensive care, organ transplants, and complex heart surgeries. It is because of our donors that we have grown from a community hospital to a global leader in child health – the root of lifelong health.

THE ADVANTAGE OF DONATING SECURITIES

A gift of appreciated securities is a worthwhile alternative to a cash gift. Flexible choices allow you to decide how you want to give, and the elimination of capital gains tax on gifts of appreciated securities provides you with a substantial tax incentive for donating stock.

Other benefits include:

- A charitable tax receipt
- No capital gains tax paid
- Satisfaction of seeing your gift put to good use today
- Recognition on the Donor Wall (cumulative lifetime giving \$25,000+) and invitations to special SickKids Foundation events throughout the year

DONOR STORY

SAVING MONEY WHILE SAVING LIVES*

For the past fourteen years, Bob and Susan have made an annual donation to SickKids. Inspired by the work the Hospital does in their community, Bob and Susan wanted to give a larger gift this year. They looked at their investments and decided to sell some stock and donate the proceeds to SickKids Foundation.

Before doing so, Susan contacted the SickKids Foundation gift and estate planning team and discovered the tax advantages of donating securities directly. Bob and Susan were delighted to learn that they would pay no capital gains tax on the appreciated value of their donated securities, receive a charitable tax receipt, all while supporting the life-saving work of the Hospital.

In consultation with their financial advisor they donated \$50,000 in shares to SickKids Foundation.
