

Thank you for your future gift commitment to SickKids.

Donors who confirm a future gift through your will are invited to join our **J.P. Bickell Society**. The Society was named after John Paris Bickell - a man who believed in the future of SickKids. Through his will, he established the J.P. Bickell Foundation and directed half of the annual income to SickKids. This gift helped create The Hospital for Sick Children Research Institute in 1954, which is now the largest child health research institute in Canada.

J.P. Bickell Society members are entitled to:

- Recognition in the Hospital in the Donor Hall of Honour, with naming of your choice
- Invitations to events at the Hospital
- Receive our bi-annual newsletter *Planning for Kids*.

You also have the option to remain anonymous in terms of public recognition while still receiving invitations to events and our newsletter. The choice is yours. Below is a confidential form which you can complete to indicate your preferences.
