The Classic Canoe Adventure is a 3 Day all-inclusive guided canoe trip. Our guests will learn or refresh their paddling skills throughout the trip from our professional guides. Our guides are there to lead the way and take our guests to secluded areas of the wilderness. Here, there will be opportunity to swim, hike, fish, enjoy tasty meals and take in the scenic views of open lakes and tree lines.

Our guides will contact our guests via email prior to the start of your trip. This is the perfect opportunity to let the guide know of any questions or concerns you may have.

No canoe or camping experience is necessary. Guests will be paddling, portaging and camping each day, so any athletic experience will be an asset. Bring your clothing, rain jacket/pants, water bottle and we will take care of the rest!
