

**IT'S HAPPENING.  
A NEW SICKKIDS  
WILL RISE.**

# MEET THOSE WHO HAVE BEEN WITH US SINCE THE BEGINNING.

SickKids Groundbreakers and Catalyst donors believed in a new SickKids from the start. And demonstrated it by making visionary commitments to our campaign before construction began. We thank these bold, forward-looking individuals, corporations, and organizations who have given \$100K+ for being first in our fight. They are leaders in a milestone achievement: 1 million donors to the new SickKids.

**We are profoundly grateful to everyone who has rallied to our cause. But we're not done yet. Join them, by joining us.**
